**Welcome, Introductions, and Approval of Minutes:**

Thom Schwalenberg, Chair called the meeting to order. Introductions were made and the committee approved the April 11, 2018 minutes as written.

**Awards Workgroup:**

David Coulling reminded the group of the upcoming Awards Presentation at Harbor Park, Wednesday June 14<sup>th</sup> at 6pm.

**EMS Education Committee:**

Ray Willet reported that the group is considering changing the look of the protocols and will send a short survey out to the regions providers for feedback. The online sanctioning exam is almost complete. The sanctioning specialist have been cleared to conduct oral boards and the sanctioning packets now include 12 lead strips.

**Performance Improvement Committee:**

Mike McMahon reported that the OMD committee agreed that the format for the Performance Dashboard would be beneficial to the region

**OMD Committee:**

Mike McMahon reported that the OMD committee agreed to rotate locations for noon meetings. The committee approved Appendixes B, F and G. The EMS Stroke/tPA Transfer Sheet was discussed and is still being reviewed. This form primarily impacts commercial transport agencies; EMS/911 agencies will most likely have staff from sending facility ride in unit with patient and crew. The RACE Score Training materials have been completed and are available to any agency that wishes to use them.

**Pharmacies:**

No report

**MCI Work Group**

**2018 Hampton Roads Mass Casualty Incident Response Plan Development**

Publication of the next revision of the plan is temporarily on hold pending and the new HRMMST activation number has been activated. The date for the activation of the new HRMMST activation number is pending.

## **Eastern Shore Disaster Medical Support Unit**

The new Eastern Shore (Northampton County) Disaster Medical Support Unit (DMSU) is now in service. The DMSU is located at the Northampton County EMS Building and is available as a mutual aid asset.
