Welcome and Introductions:

The committee approved the December 12, 2018 minutes as written.

Performance Improvement:

David Long mentioned that one of the contract deliverables for the PI groups is to identify a schedule of topic reviews to report to the state quarterly.

Awards/Picnic Workgroup:

David Coulling talk about promoting award presentaions for the region to the state level for consideration.

OMD Committee:

Mike McMahon reported the committee wants to add Ketamin 0.2 mg/kg IV or 0.5 mg/kg IN to the pain management protocol. The next OMD meeting will be held March 12, 2019. More information TBA.

Nurse Managers:

Chris Roberts reported the group approved Appendixes B, F, & G with no suggested changes.

Education Workgroup:

Mike McMahon reported the TEMS Educational Sympisium will be held May 2-5, 2019, more information to follow. There us an opportunity for reimbursement for continuing education hours by submitting your course rosters to TEMS. Online training isn't submissable.

Pharmacy: No Report

MCI Working Group Activities & Membership –

The group discussed making the MCI committee a standing committee with participation from both TEMS & PEMS. HRMMRS has received a UASI grant to start replacing the MCI buses.

OEMS:

Wayne Berry reported that renovations have begun at the Office of EMS. The entrance to the 1001 Technology Park Drive location is closed and all visitors to the office for any matter are asked to use the 1041 Technology Park Drive location entrance. During this time, some staff may be working remotely until renovations are completed and email/phone may be the best point of contact. If you have any questions, you may contact the office at (804) 888-9100.

Regulations and Compliance department will be making some changes whereas they will now outsource background checks. If you are in need of a temporary EMS Vehicle Permit, please log into the EMS portal to complete your temporary application.

Public Health:

Wayne Berry reported there is a Influenze Class June 13th

Old Business:

RSAF deadline is March 15, 2019

New Business:

MOC approved Appendixes B, F, & G with no suggested changes.

Jurisdiction Reports/ Medical Trends:

TCC: Jason Ambrose reported the college has revised schedule of paramedic programs similar to the fire department shift schedule.

NFR: Dan Norville spearheaded project repositioning transport resources and compiling that data into a spreadsheet.

Virginia Beach: Congratulation new Deputy Chief of Operations Joey Hundley. John Bianco is initiating an MIH community program.

Announcements / Dates to Remember – please see www.tidewaterems.org

The next Medical Operations Committee Meeting will be held April 10, 2019 at 12 noon at the TEMS office.
