- Welcome and Introductions were made and the December 10th minutes were approved as written.
- Case Presentation: Mary view Medical Center – Neuroscience
- Bill Sloan of VBGH will bring a case to the next meeting.
- Old Business: Jay Porter reported that the group needs to review and approve the changes previously discussed about the TEMS Stroke Triage Plan. Revisions should be completed at the next meeting to be submitted to the next OMD meeting and up to the state OEMS before June 1st.
- New Business: Jay Porter will get Stroke data out to the committee for review of calls verses number of calls and the glucometry noted from the first ambulance on the scene. Porter will also pull diagnosis code summaries.
Data will be go out to the agencies by March 9th.
EMS & Mary view project has been accepted to present at the National Stroke conference next week. The group will be speaking about nine months' worth of data.
- Dates to remember located at www.tidewaterems.org

The next meeting of the Stroke Triage Performance Improvement Committee will be:

April 14, 2016 @ 1600

TEMS Office - 1104 Madison Plaza, Chesapeake, VA 23320
