- Welcome and Introductions were made and the February 11th minutes were approved as written.
- Case Presentation: SFR & Maryview
- Stroke PI plan has been submitted to OEMS with changes.
- Porter will contact EVMS regarding training for advance stroke life support. VB General is willing to financially support a train the trainer class. Direction is needed from the OMD's as to what MIH stroke scale information to give to EMS providers.
- The group discussed future meeting guidelines of gathering information. Jay Porter shared the difficulty in pulling version 2 data verses version 3. The group also discussed communicating having trouble getting access from OEMS. Data requested for the next meeting would be number of stroke calls, glucometer performed and Cincinnati scale within the TEMS region.
- Dates to remember located at www.tidewaterems.org
