Conducted numerous other standing committee meetings as required by contract and noted elsewhere in this report.

2. Regional EMS PI and Trauma Triage Program

a. Maintain and revise as needed to reflect current practice, a region wide EMS Performance Improvement Plan (PIP) for general EMS responses and Trauma related EMS responses. Review and approval of the plan by the contractor's Board of Directors. Include:

- (1) A schedule and topics for three concurrent PI projects (general EMS patient care, an EMS system related item and a trauma patient care or trauma system related item).
- (2) Process that is capable of monitoring/assessing adherence to patient care protocols, and triage plans; EMS system issues, and identification of the educational needs of EMS providers in the region.
- (3) Maintain, and revise as needed, a PI template that an EMS agency can use to establish its own PI programs.
- (4) Provide quarterly updates on PI projects that are conducted in the contract year.
- (5) Identify the membership of the regional PI committee, objectives of the committee, and rules for participation in the meetings. The PIP shall allow for a representative of the OEMS to attend the PI meetings as desired by OEMS.
 - (a) Equal representation of Operational Medical Directors, hospitals from varied areas of the region, and EMS providers from each of the following, air medical agency, fire-based service, career, and volunteer services.
- (6) Hold quarterly PI committee meetings to review the input received and/or significant events reported. Identify needs based on review of PI information received by the

contractor, and plan a course of action (protocol change, educational opportunity, process improvement, etc). The items/deficits and the process used to correct them shall be reflected in the minutes of the meeting, and shared with other regional stakeholders as needed and appropriate. Submit agendas, rosters and minutes (no patient identifiers) quarterly.

FY22, the Trauma committee meetings are held on the second Thursday of every odd month at 2:30 pm. The Trauma PI committee met on July 8 and September 9, 2021. The Patient & Provider PI committee meets on the second Thursday of every odd month at 1:00 pm and continues to monitor low frequency/high acuity procedures and Handtevy. The minutes with attendance rosters and agendas are submitted to OEMS each quarter.

(7) TEMS Handtevy Program

OEMS stated they will transition Handtevy to a state-paid program, that will begin 1/1/2022. Error rates are not currently available due to reporting challenges during the ImageTrend to ESO transition. During the Virginia EMS Symposium, the Office of EMS and Handtevy announced the Virginia would be implementing Handtevy statewide making Handtevy available to every EMS agency in Virginia.

b. Provide technical assistance to EMS agencies to assist them in complying with State EMS Regulations related to quality management reporting (12 VAC 5-31-600). The names of agencies and the nature of assistance provided to those agencies shall be submitted quarterly.

Regional Strategic EMS Plan, Board discussions, EMS Medical Operations Committee discussions and EMS/Trauma/Stoke/STEMI Performance Improvement committee and subcommittee discussions (reflected in minutes) all support technical assistance discussed and provided as requested and well as encouragement for agencies to submit quality data.

c. Actively encourage, not enforce, all EMS agencies within their region to meet state requirements and submit pre-hospital patient care data as required by the Code of Virginia (§ 32.116.1) and EMS Regulations 12 VAC 5-31-560. Quarterly reports shall include language that describes how this contract item was achieved.

See above. All EMS agencies invited to participate in the regional PI committee, subcommittee and initiatives.

d. Distribute regional, jurisdictional, and agency level performance improvement reports developed and provided by the OEMS, Trauma System Oversight and Management Committee (TSO&MC), and or the Trauma Performance Improvement Committee.

3. Trauma Triage Plan

a. Review annually and revise as needed and follow the current version of the Commonwealth's Pre-hospital and Inter-hospital State Trauma Triage Plan and include:

(1) A "field triage decision scheme".

(2) The field triage decision scheme shall be included within the trauma section of the Regional Medical Protocols

(3) A definition of a trauma patient

(4) Prehospital physiologic, anatomic, mechanism of injury, and special consideration criteria

(5) Medevac utilization for trauma

(6) Trauma center descriptions

(7) Description of each level of Virginia Trauma Center Designation

b. Post revised plan on website. Notify stakeholders that the plan has been revised and posted the Make a copy of either revised document available upon request.

Due 3rd quarter.

The Triennial review of the Trauma Triage Plan was reviewed and approved by Medical Operational Committee, Operational Medical Directors and then approved by the Board of Directors on March 11, 2021. The next review is scheduled for 2024.

4. RSAF Program

- a. Promote grant writing and review assistance services to agencies one month prior to submission deadline with electronic/hard copy notifications. Assist agencies to review and write RSAF grant applications upon request, and request assistance from grants administrator when appropriate.

TEMS promotes grant writing and review assistance services to any requesting EMS agency, and provides notifications to regional stakeholders via e-mail distribution lists and the TEMS website. TEMS provides any needed assistance, and solicits assistance from appropriate OEMS staff when appropriate. An electronic notice to TEMSList subscribers and EMS leadership, a Response newsletter article and website site information promoted the RSAF availability, the application deadline, encouraged electronic application and offered technical assistance. Queried EMS agency leadership of need for a grant workshop during the 1st quarter but did not receive any requests for conducting a workshop.

- b. Conduct regional reviews and grading of grants as per regulations and policies governing the RSAF program.
 1. Conduct two review and grading sessions during the contract period, and submit grades
 2. Ensure that each application is reviewed consistently by grant review committee and assigned grade, using OEMS criteria.
 3. Use the OEMS provided Grant Reviewer Guide.
 4. Shall not notify agencies of the FARC recommendations prior to award date.

Conducted grant review and grading sessions on the Eastern Shore and the Southside during October 2021 and submitted grades and comments to OEMS. Also due in 4th quarter.

5. CISM Program

- a. Ensure all first responders in their region have knowledge of mental health services. Option selected to maintain a CISM team.

- (1) Maintenance of a regional CISM team.

- (a) Up-to-date policies

TEMS maintains a multidisciplinary CISM Team which remains compliant with all OEMS policies and procedures regarding CISM. Team services are available 24/7 and the team can be reached via a published emergency number of 757 414-CISM (2476) which is answered by a Medical Transport dispatcher who relays a request for team services to an on-call team member. CISM Team operating policy reapproved without change by the Board of Directors and submitted to OEMS with 1st quarter deliverables.

- (b) Provide quarterly statistical reports.

Submitted to OEMS quarterly. During the 2nd quarter the team assisted 27, 11 individuals during 1, 1 intervention. The team had 45, 45 volunteer members.

- (c) Meet at least semi-annually. Submit minutes.

CISM team meetings have been hindered by COVID; the team did not meet during the first quarter of FY22. The full-team did not meet in the second quarter; however, there have been regular meetings with team leadership regarding a re-structure of the TEMS CISM program. All-hands team meeting scheduled for beginning of the third quarter.

6. Regional EMS Awards Program

- a. Conduct Regional EMS Awards Program

1. Title is (RC name) EMS Awards Program.
2. Regional Awards Program has same 11 categories and criteria as Governor's Awards, including scholarship.
3. Use of OEMS nomination form.
4. Schedule and publicize the awards program.
5. Award to each first place winner.

No activity this quarter. Began conversations with the Office of EMS to advertise nominations early due to TEMS scheduling the FY22 Awards ceremony to coincide with the Tidewater Healthcare Education Expo.

- b. Assume that regional nominations are judged and forward first place winner's information to OEMS.
 1. Appoint a committee to select regional winners.
 2. Provide nominee information to Advisory Board Selection Committee.
 3. Submit news release to local media and OEMS within one week of ceremony, using format provided by OEMS.
 4. Follow state guidelines.

2021 Awards Program: The names and biographic information of 2021 regional award recipients were submitted to OEMS in the 1st quarter. OEMS prepared and distributed a news release to local media. The council also distributed the release electronically to local newspapers. Regional winner information and press release was also posted to the council's website. A committee to select regional winners was appointed by the TEMS Board of Directors at the December 9, 2021 meeting.

7. Regional EMS Instructor Network

- a. Conduct a minimum of one meeting to discuss educational performance improvement, issues surrounding EMS training, clinical requirements, field experience, administrative requirements, and CTS concerns.
- b. Notify all accredited EMS programs, EMS educators, OEMS DED Staff, OEMS Program Reps, and Emergency Operations Instructors of the meetings. Meeting notice distribution 30 days prior with agenda.
- c. Meeting should be set up for face to face networking, but may be conducted in a format allowing for feedback such as teleconference.
- d. Agenda, roster and minutes to OEMS

Due 4th quarter.

E. BLS-CTS Administration

1. Establish at least one OEMS approved CTS facility within its service delivery area.
2. July 1 – June 30 CTS schedule to OEMS Certification Testing Supervisor by Feb 1.

9. Fee for initial testing.
10. Fee for retest.
11. No fees for written examination
12. Reporting of CTS expenses.
12. Adherence to guidelines of CTS P&P Manual

*TEMS is compliant with all contractual obligations related to CTS. TEMS-area test sites are held at a single physical location located at Norfolk Fire Rescue Training Center in order to standardize and centralize site logistics. No CTS schedule was posted for this year; awaiting direction from the ACE Division of OEMS. Compliance with the CTS P&P manual is enforced during each site by on-site OEMS examiners. Test registration is conducted through a web-based application. TEMS charges fees to candidates as specified, and adheres to all guidelines specified in the CTS Manual. **There were no CTS during the 2nd quarter. It was reported by the Training and Certification Committee to eliminate the CTS program and scheduled for discussion during the next Medical Direction Committee meeting.***

F. Regional Category One CE Program

1. Promote ALS and BLS CE that satisfies Category 1 requirements in each planning district.
