

PERFORMANCE IMPROVEMENT COMMITTEE MINUTES

Date: January 11, 2024 Chaired By: Stephanie Adams
Location: TEMS Office and Virtual Begin Time: 9:00 am End Time: 9:54 pm

Attendees

Alan Perry, David Keeler, Pat Edwards, Randy Rudder, Stephanie Adams, Steve Henson, Valerie Vagts

Introduction & Key Points

- Minutes from 11/9/23 were approved: Alan Perrt 1st, Pat Edwards 2nd, none opposed
- Meeting with ImageTrend tomorrow to discuss the regional view
- Software Vendor is up for state bid

Reports

- Tested 12-lead report
 - Made adjustment to ECG Time to avoid duplicates. It is now "Unit arrived to patient to first ECG Time" is the selection that should be used
 - ECG to Transmission time can use itDevice.002 or itSTEMI.002

New Business

- Request to compare regional data with agency data regarding the use of Narcan and Fentanyl from 1.1.23-12.31.23
- Request from STEMI committee to look at bystander CPR % for cardiac arrests move to next meeting
- Schedule a meeting to rebuild the run form so all agencies start the same throughout the region for 3.5 migration. Schedule for 2/8/24
- The goal is to reduce supplemental questions because they cannot be pulled systemically

Roundtable

- Update on ETCO2 in sepsis protocol from E&T: will move from criteria to column, so we can use to filter after data pull

Next Meeting

The PI Committee meeting will be in-person/hybrid on March 14, 2024 at 9:00am
