

PERFORMANCE IMPROVEMENT COMMITTEE MINUTES

Date: May 9, 2024 Chaired By: Steve Henson
Location: TEMS Office and Virtual Begin Time: 9:04 am End Time: 10:08 am

Attendees

Darrin Gomes, David Keeler, Mike O'Neill, Roger Stinnette, Pat Edwards, Steve Henson, Will Shackelford, Valerie Vagts

Key Points

- Minutes from March 14th were approved: Will Shackelford 1st, Darrin Gomes 2nd, none opposed
- 3.5 update: IOW, Suffolk, Norfolk, Virginia Beach and Chesapeake are all on target to complete transition by June 30th. A couple may complete the transition a week or so early, but do not have a confirmed date yet
- Matt from ImageTrend joined our meeting to help with the regional view data submission
 - Norfolk has a one-time set-up fee of about \$755, the request is in and waiting for payment to proceed
 - Virginia Beach is waiting for MOU to proceed

Reports

- Built/Discussed the 12 lead for CP AHA and the 12 Lead Usage to prepare for the data comparison at the next meeting
- The Criteria Document was updated and will be sent out with the minutes

Roundtable

- Most agencies are planning on attending the ImageTrend Conference in July
- Bon Secours is having Dementia training June 20th in evening with dinner at Southampton Hospital. They have a packed lineup to celebrate EMS week, beginning Monday, May 20th
- Randy has rotated off of PI in Virginia Beach
- Come to EXPO! Register here: <https://tidewaterems.org/expo/>
- Blood Drive 5/23 at TEMS from 9-2

Homework

- Have numbers for next meeting for comparison for May 1 – May 31 to see how the data pull will change from Mission Lifeline by adding Symptoms to the data pull. Please pull the AHA report and the 12 Lead Usage Report. The 12-lead usage report will allow for analysis of missing 12 leads, time frame for getting the 12 lead done, etc.

Next Meeting

The PI Committee meeting will be in-person/hybrid on July 11, 2024 at 9:00am
